# **TAMEST** ★ *2018 Annual Conference* **AEROSPACE**

*January 10-12, 2018*

*South Shore Harbour Resort and Conference Center  
League City, Texas*

**TAMEST** *The Academy of Medicine,  
Engineering & Science of Texas*

***“Texas has a wealth of expertise in aerospace. This conference is a unique opportunity for us to not just learn from each other, but also to share with Texas and the nation what we can do.”***

**Bonnie J. Dunbar, Ph.D. (NAE)**

Texas A&M University  
Retired Astronaut  
Conference Program Chair

*Texas is a leader in aerospace, home to the only human space flight center in the nation, a planetary institute and over 1,400 aerospace-related companies. Texas also employs more than 148,000 aerospace workers and exports billions in manufactured aerospace goods. Aerospace is an important research and business sector for the state.*

*At the 2018 Annual Conference of **The Academy of Medicine, Engineering and Science of Texas (TAMEST)**, we’ll explore the potential in Texas for greater research and development in aerospace, specifically in the areas of human space flight, aeronautics and commercial space exploration.*

*What does the future have in store for aerospace in Texas, the country and the world? Join Texas’ top minds as we gather to explore those questions and many more. We hope to see you there.*
