TAMEST 2020 ANNUAL CONFERENCE: INNOVATING TEXAS

Join us as we gather to celebrate, critique and catalyze innovation and commercialization of research in Texas. We'll explore how basic research leads to new technologies, products and companies and showcase avenues to commercialization for researchers across an array of disciplines. The program will feature success stories from some of Texas' greatest entrepreneurs and inventors and look at astounding research and technology developments happening now that will impact our lives and economy in the future. The conference will take place at the Fairmont Dallas hotel, **January 7–9, 2020.**
