HAGLER INSTITUTE
for ADVANCED STUDY
at TEXAS A&M UNIVERSITY

INCOMING 2021-2022 HAGLER FELLOWS

ARTHUR M. JAFFE

Landon T. Clay Professor of Mathematics and Theoretical Sciences
Department of Physics

Harvard University

KEVIN G. BOWCUTT

Principal Senior Technical Fellow and Chief Scientist of Hypersonics

Boeing Research and Technology

JACQUELINE H. CHEN

Senior Scientist
Combustion Research Facility

Sandia National Laboratories

JENNIFER H. ELISSEFF

Jules Stein Professor
Department of Biomedical Engineering
Morton Goldberg Professor, Ophthalmology
Director, Translational Tissue Engineering Center

THEODORE GOODSON III

Richard Barry Bernstein Collegiate Professor of Chemistry and Macromolecular Science and Engineering
Department of Chemistry

University of Michigan

NANCY R. SOTTOS

Department Head and holder, Maybelle Leland Swanlund Endowed Chair
Center for Advanced Study Professor
Materials Science and Engineering

University of Illinois Urbana-

DONNA T. STRICKLAND

Professor
Department of Physics and Astronomy

**University of Waterloo
Ontario, Canada**

NIKOLAY I. ZHELUDEV

Professor
Deputy Director of the Zepler Institute

University of Southampton, United Kingdom
Co-Director, The Photonics Institute
